We enjoy serving our families in Johnson(G3), Morgan (G4) Southern Marion (G7)

Your child's and family's needs are an important part of therapy with PediPlay. Our therapists are skilled at partnering with families and embedding skill building activities in everyday play.

PediPlay therapists live in or have served in your area for many years, so they know your community and local resources that could benefit your family.

PediPlay includes PT (**Physical Therapy**), OT (**Occupational Therapy**), ST**Speech Therapy**), DT (**Developmental Therapy**)

Our skilled, fun, professional therapists have specialties that incorporate Motor Skill Development, NDT, Sensory Integration, Feeding, Oral-Motor, Behavioral Strategies, Communication/Language Development, Oral/Augmentative Communication, Kinesiotaping, Orthotics, NMES, Cranio-sacral, Aquatic Therapy, Sensory-Motor, Play-Based Activities, Visual-Motor Activities, Structured Skill Training, Myofascial Release; and many other areas of expertise including intervention within the activity and/or setting in which the skill is used.

PediPlay therapists are experienced with: Developmental Delay, Autism, PDD-NOS, Cerebral Palsy, Down Syndrome, Childhood Apraxia, Hearing Impairment, Cleft Palate, Torticollis, Multisystem Syndromes, CHARGE Syndrome, Hydrocephalus, Feeding Difficulties, Prematurity, Spina Bifida/Myelomeningocele, Osteogenesis Imperfecta, Arthrogyrosis, Failure to Thrive, Brain Injury, Stroke, Brachial Plexus Injury, and many other low incidence and frequently high need diagnoses. Comfortable with g-tube, vent

Full Service Pediatric Clinic for children's needs outside of First Steps from birth to age 12.

Family Trainings and a Family Lending Library are available for our First Steps and Clinic Based families:

Summer Camps, Ongoing Individual and Group Therapy Activities, Social Skills Groups, Feeding Skills Groups, Audiology, Orthotics Fitting, Assistive Technology Assistance

PediPlay therapists look forward to working together with your family to help your child increase independence and participation in family routines and activities based on your child's and family's needs and priorities.

We are excited to have your family join our team!
