Celebrating over 18 years, Toddler's Choice, Inc. is a pediatric therapy company operating in the greater central Indiana area dedicated to serving the growth and developmental needs of infants and toddlers.

Toddler's Choice prides itself on the diverse educational backgrounds, knowledge bases, and areas of expertise of its therapy staff. Some therapists hold advanced masters degrees, while others possess specialized training and certification. Our therapist range in age and experience from 2 years to 35 years of experience. We offer the newest treatment strategies in addition to the advantage of many years of experience in pediatric therapy, which demonstrates a sound commitment and dedication to children with special needs.

We treat many diagnoses, but are not limited to: Multiple Births, Prematurity, Down Syndrome, MS, Hydro/Microcephaly, Dev. Delay, PVL, Torticollis, Sensory Integration, High/Low Muscle Tone, Vent- Dependent, Children with Feeding Tubes, Speech Delays, Apraxia, Feeding/Swallowing Issues, Russell Silver Syndrome, Fragile X, Traumatic Brain Injuries, Autism, Visual Impairments, ADD/ADHD, and Metabolic Disorders.

We provide physical, occupational, speech and developmental therapy services in the most beneficial and convenient setting for you and your child: your home, daycare of choice and our clinic, Leaps 'N' Bounds, currently located in Castleton.

The Parent's Choice is your Toddler's Choice!
